

High power bar light (HLB series)

LS-HLB series · Bar lights · 14 models

High-power LED bar light for long working distances, high-speed applications and applications requiring high brightness. Uses high-power LEDs for long-distance, high-brightness lighting and supports multiple installation methods.

Features

- High power LED used, lighting to long working distance, high brightness.
- Multiple installation method, easy to install.

Applications

- Long working distance
- High speed applications
- High brightness required applications

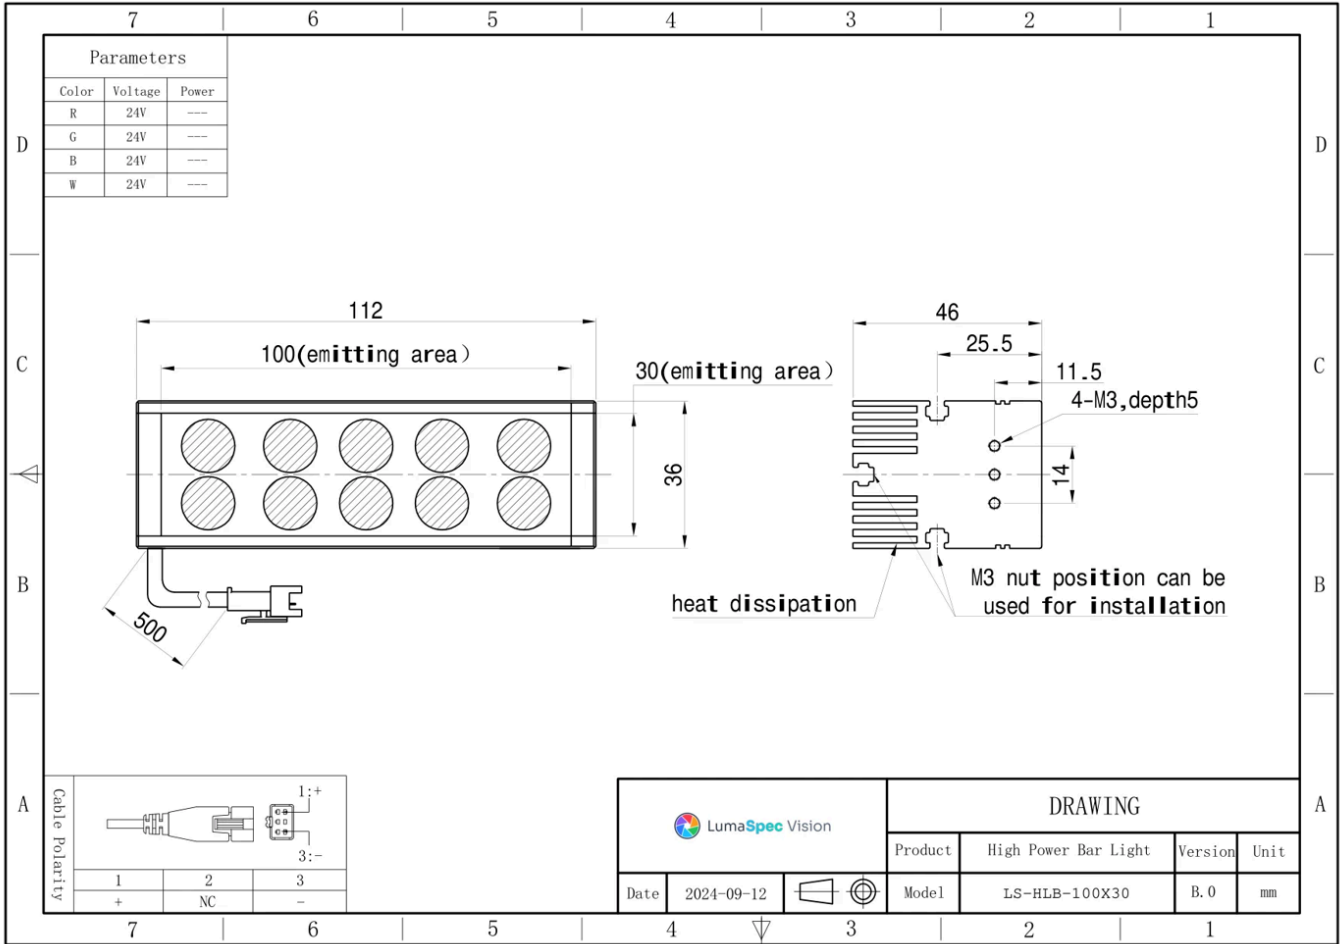

Common specifications

Voltage (V)	24
Colours	Red, Green, Blue, White
LED colour options (legend)	R / G / B / W / IR / UV
Colours shown per model	R, G, B, W
Cable length	500 mm (per dimension drawings)
